Bodegas Vatan
Triton Tempranillo 2022

Antonio Galloni
VINOUS
94pts

"From old vines planted in 1970 in Toro, the youngest material used for the estate's reds, the 2022 Tinta de Toro Tritón was fermented with whole clusters and aged for eight months in French oak. It combines violets, dark fruit and subtle oak with notable aromatic clarity. Slightly generous yet unusually delicate for Toro, it offers juicy fruit, fine reactive tannins and attractive grip, with the 15% alcohol remarkably well concealed. Three years after first tasting this wine, one thing seems clear: when Tinta de Toro feels somewhat muted in youth but the tannins are already fine, bottle age can work wonders. Here, the wine has refined itself, shedding some of its initial richness while stretching further across the palate and into the finish."
