Reserva 2021

91pts

"A mix of American and French oak barrels aged the 2021 Reserva for 18 months before it stabilized in underground concrete tanks. On the nose, aromas of blackberry and cherry are framed by evident oak and a hint of elderberry. The palate is dry and enveloping, showing moderate weight and light tannic grip, with a clear Spanish profile. Black fruit and wood echo on the finish, and the vintage lends slightly more depth than in other years."
