

Bodegas Ramirez De La Piscina
Selección Reserva 2021

vinous
explore all things wine
92pts

"The 2021 Selección Reserva, from Ábalos and San Vicente de la Sonsierra, is 100% Tempranillo. Aged 19 months in new American and French oak barrels, it also underwent malolactic fermentation there. On the nose, it's expressive for an oak-aged red, with blackberry and black plum alongside delicate herbs and cedar. Broad and slightly unctuous on the palate, it has grip from both the wine and the wood, with a faint plank-like note on the finish balanced by black fruit. The village character comes through clearly in the tannin profile. A very appealing wine."
