

Viñedos de Páganos
El Puntido Gran Reserva 2008

Robert Parker
WINE ADVOCATE
97pts

"A wine with a more traditional profile than the majority of wines from the Eguren family. At age 14, the wine is glorious, still young and with a mixture of primary and more developed notes. It goes more in the direction of the old wines, with balsamic notes of incense and cedarwood, mushrooms and some berries and herbs. It's complex and elegant, with fully resolved tannins."
