Triton Tinta de Toro 2017

*"Made from 100% Tinta de Toro aged a year in used barrels (and some demi-muids), the 2017 Tritón comes from multiple vineyards and is made in decent amounts. It's a rich, powerful wine loaded with notions of blackcurrants, dark chocolate, licorice, crushed rocks, and crushed violets. It's full-bodied, has impressive depth of fruit, sweet tannins, and a great finish. It's a rocking wine that can be drunk today or cellared for 15 years or more."*
