

Bodegas Breca
Garnacha de Fuego 2023

vinous
92pts

"The 2023 Garnacha de Fuego is from Sierra de Pardos and Sierra de Peña Blanca, Aragón. It is ripe, with sour cherry, a faint sanguine note, floral tones, vermouth hints and gentle field herbs over soft jam. Concentrated, with lightly robust tannins, this has balanced acidity and red-fruited persistence."

Joaquín Hidalgo, September 2025
