

Bodegas Breca
2024 Garnacha de Fuego

JEB DUNNUCK

90

"From hand-harvested bush vines, some of the highest terroir in Spain for Garnacha, the 2024 Garnacha De Fuego is made in an entry-level, easy-drinking style, punching well above its price point. A plush, generous mouthfeel of spiced, mineral-driven red fruit dominates the full-bodied intensity and length of softening tannins. Drink now."
