

Bodegas Breca
2023 Breca Old Vine Garnacha

JEB DUNNUCK

91

"From Garnacha vineyards at high altitude in Acered and Atea, also known as Vinedos Santa Cruz, the 2023 Breca is lengthy, refined, and energetic, richly layered in red fruit and minerality. Aged in older French oak puncheon, it's rounded and intense, with great presence. It should age well. Hold and drink 2028-2035."
