SELECTIONS

*"Limpid, green-hued straw. Taut and sharply focused on the nose, displaying vibrant citrus zest, quince and floral scents and a chalky mineral overtone. Dry and nervy on the palate, offering juicy lemon, green apple and honeysuckle flavors and a spicy touch of ginger. Displays firm tension and spicy cut on the finish, which hangs on with strong, mineral-driven tenacity."*

**Josh Reynolds**, Vinous, June 17th 2021
