

Vins El Cep
2021 Gelida Brut Gran Reserva

JEB DUNNUCK

94

"The newest vintage with 6 grams per liter dosage, the 2021 Gelida Brut Gran Reserva Made With Organic Grapes is 40% Xarel-lo, 20% Macabeo, 20% Pinot Noir, and 20% Chardonnay. The Pinot's acidity and darker fruit profile are evident on the sleek, medium-bodied palate with the complexity for aging and a lasting taste of salinity. Spending 54 months sur lie in the bottle, it's an Elaborador Integral. Drink now through 2031."
