explore all things wine
91pts

JORGE ORDÓÑEZ
SELECTIONS

"Deep straw-gold. Deep-pitched aromas of pear nectar, yellow apple and fennel, with a smoky lees element in the background. Taut, stony and gently toasty on the palate, offering bitter pear skin, gently sweet orange and chamomile flavors and a touch of lemon peel. At once rich and lively, with solid closing thrust and a hint of florality on the clinging finish."

Josh Raynolds, Vinous, March 18th 2021
