

Bodegas Avancia
Avancia Godello 2019

VINEPAIR

94pts

"This wine makes me thirsty. It has such an awesome nose and smells like fresh sliced pear and a bouquet of white flowers. The wine rests on your palate, alive with vibrant acidity and the perception of tiny fizziness. The alcohol is a bit high, so pairing this bottle with food might be fun. Try it with a paella. Treat yourself with this bottle if you are not familiar with this grape. It's a wonderful introduction."
