

Bodegas Avancia
Avancia Cuvée de O Mencia 2024

vinous
92pts

"The 2024 Mencia Cuvée De O, with a small percentage of other field-blended varieties, was aged for seven months on lees in used Bordeaux and Burgundy barrels with bâtonnage. It has blackberry and dark cherry aromas on the nose, then a red fruit note in a ripe style. The oak is prominent for now. Broad, with medium structure and fine tannins, this offers a plush midpalate."
