

Bodegas Avancia
Cuvée de O Mencia 2018

Robert Parker
WINE ADVOCATE
90pts

"The nose of the red 2018 Cuvée de O Mencia shows notes of ripe berries despite being only 13.2% alcohol. It also has notes of violets and tar. It is roughly 90% Mencia and the rest a field blend of Garnacha Tintorera, Mouratón, Gran Negro, Sousón and Cariñena from old vines. It has notes of sour cherry and a bitter twist. It fermented in 5,000-liter flexitank and matured in neutral 225-liter French oak barriques for eight months, during which time it also underwent malolactic. It has a medium-bodied palate with dusty tannins and pungent flavors."

Luis Gutiérrez, Wine Advocate #259 28th February 2022
