

Barona Bodegas Y Viñedos,
Francisco Barona Finca las Dueñas 2021

JEB DUNNUCK

99pts

"From a 1928-planted field blend near Anguix in calcareous soils, the 2021 Finca las Duenas Reserva pays homage to the past, combining a core of Tempranillo with natural percentages of Bobal and Albillo Mayor. Dusty tannins ride along a sultry layering of spicy red fruit and floral aromatics, the medium-bodied palate powerful yet elegant. Given 17 months in new French oak, it spent another two years in bottle. This is a deeply beautiful and beguiling wine that will continue to age with grace 20-30 years. These are among the best wines of the appellation."
