

Señorío de San Vicente
San Vicente 2022

vinous
explore all things wine
95pts

"The 2022 San Vicente, from a massal selection of the hairy-leaf Tempranillo planted in La Canoca, shows dark fruit aromas of blackberry and black plum, framed initially by oak before revealing spice notes of cinnamon and clove. Dry and compact on the palate, it has a lightly muscular feel and subtle chalky texture. The finish turns juicier, with deeper fruit expression. Structured yet expressive, this San Vicente is a wine of balance and purity, where fruit, oak and chalky texture come together in a persistent finish."

Joaquín Hidalgo, April 7th 2026
