"Opaque ruby. Expansive cherry, blackberry, potpourri, exotic spice, vanilla and cracked pepper qualities on the intensely perfumed nose. Deep, sweet and penetrating in the mouth, offering spice- and smoke-tinged red and dark berry compote, cherry-vanilla, violet pastille and cola flavors that become livelier with air. The floral quality carries emphatically through the strikingly long finish, which leaves smoke and mineral notes behind."

Josh Reynolds, Vinous, April 22nd 2021
