

Teso La Monja
Victorino 2021

JEB DUNNUCK

94pts

"The 2021 Victorino is all Tinta de Toro from very old, head-trained vines and was raised entirely in new oak. Black and blue fruits, spicy oak, graphite, and a kiss of lead pencil all define the bouquet, and it's medium to full-bodied on the palate, with beautifully integrated oak, ripe, polished tannins, and a great finish. Its purity as well as overall balance are exceptional."
