

Bodegas Muga
Muga Flor de Muga Rosé 2025

vinous
explore all things wine

93pts

"From Garnacha grown in Alto Najerilla, the 2025 Rosado Flor de Muga was aged on the lees, with about one-third fermented in 500-liter barrels. On the nose, cherry and sour cherry lead, joined by a touch of grenadine and delicate herbal tones. The palate is moderately rich, with a faintly malic edge and growing energy through the midsection. Recently bottled, it should come together more harmoniously in the near term."
