

Bodegas Muga
Flor de Muga Rosé 2019

JEB DUNNUCK

92pts

"Slightly lighter ruby colored compared to the base Rosado and is more geared for the dinner table, offering beautiful caramelized cherries, flowers, incense, and spicy aromas and flavors. Rich, medium to full-bodied, and textured, it has notable freshness and a great finish. The texture here is straight-up fabulous and it should keep for a year."
