

Bodegas Muga
Flor de Muga Rosé 2020

JAMES SUCKLING.COM 

94pts

"This is a very serious garnacha (grenache) based rosé with firmness and wonderful length of fruit and acidity. It's medium-bodied and compact, with flavors of peaches and light cherries. Lingering aftertaste. Barrel-fermented in 500 and 600-liter barrels with some concrete eggs. Drink now."
