

Bodegas Breca
2023 Breca

JEB DUNNUCK

92

"All Garnacha grown across five parcels of old vines, the 2023 Breca is more concentrated and peppery than the Breca, with generous tannins and oak. Aging over 20 months in French oak puncheons and demi-muids accentuates a powerful palate of full-bodied richness and minerality, finishing in salty soy.
Drink 2028-2038."
