

Bodegas Vatan
2021 Vatan Arena

JEB DUNNUCK

"The last vintage offered was 2017, so the 2021 Vatan Arena is something special, a full-bodied, small-production offering from the best barrels and a vine-by-vine selection of Tinta de Toro from 1900-era vines. A solid three years are spent in barriques. It's incredibly refined in red fruit, with a concentration of mineral, herb, leather, and anise, and there's power and lift on the elongated palate.

Hold and drink 2031-2041."
