"The 2015 Vatan Arena is a tiny selection brought up in new barrels. It's a riper, sexier wine offering a kaleidoscope-like array of black raspberries, cassis, and currant fruits as well as notes of toasted spices, flowery incense, ground pepper, and assorted meaty nuances. Powerful, full-bodied, and incredibly opulent on the palate, it has a wonderful sense of freshness and lightness on the palate, silky tannins, and a great, great finish. It's another sensational vintage for this cuvée to enjoy over the coming 25+ years or more."
