

Viñedos y Bodegas Sierra Cantabria
Magico 2022

JEB DUNNUCK
96pts

"From an estate site planted after phylloxera called El Vardallo, planted to Tempranillo, Garnacha, Calagrano, Turrantes, Viura, Graciano, and Petit Bouschet, the 2022 Magico used to be made from only the Tempranillo until winemaker Marcos Eguren opted to harvest and co-ferment the grapes together (except for the Garnacha, which gets its own time table and wooden vats). It's a hearty testament to terroir and history, able to achieve balance through the different grape varieties, more approachable in its youth, concentrated and full-bodied in spiced black fruit, yet silky as a Burgundy wine. Age 10-15 years."
