

Viñedos y Bodegas Sierra Cantabria
Mágico 2022

vinous
explore all things wine
98pts

"From the early-20th-century field blend of El Bardallo in San Vicente de la Sonsierra, the 2022 Mágico is based on Tempranillo with 20% Garnacha and a mix of red and white varieties. It spent 26 months aging in new French oak barrels of 225 and 500 liters. Aromatically, the nose is complex, offering red fruit, plum and cherry alongside herbs such as thyme and rosemary. Broad, silky and finely structured, the palate shows delicate chalky hints and rose-petal nuances. Its charm lies precisely in its distinctive aromatic and textural personality. With its beautiful texture, Mágico stands out for the singular interplay between aromatic nuance, finesse and depth."
