2022 Mira Salinas (Made with Organic Grapes)

"A powerful, complex red, the 2022 Mira Salinas Monastrell is bursting in Mediterranean spices and crushed violet, with richly layered red cherry and raspberry notes. From an estate of organically farmed grapes in the highest subzones of Alicante, this comes from the oldest vines, planted 35-50 years ago, and is intensely full-bodied, dense, and decadent. Drink through 2030."
