3 Miradas Vino de Pueblo 2020

WINE ADVOCATE
91pts

"The village white 2020 3 Miradas Vino de Pueblo shows hints of youth and a tender profile with aromas of apples and green almonds. It aged under flor in concrete tinaja (amphora) for eight months. It's mild and silky with medium ripeness at 13.5% alcohol and with good freshness and balance. 40,000 bottles produced. It was bottled in July 2021. It should put on some weight with a little more time in bottle."
