2023 3 Miradas Vino de Pueblo

JEB DUNNUCK

90

"A village wine from three vineyards in the Sierra de Montilla de Calidad Superior in the Benavente and Riofrio, the 2023 Tres Miradas Vino De Pueblo is like a white table wine or baby Fino, an approachable sherry for consumers still exploring these wines, with good citrusy, nutty varietal character from 100% Pedro Ximenez. Light to medium-bodied, it underwent spontaneous fermentation in concrete with flor over eight months and clocks in at 12.5% ABV. Drink now through 2030."
