

Bodegas Sierra Salinas
Mo Monastrell 2018

90 pts

"Blueberries, violets, white pepper, and graphite notes all emerge from the 2018 Mo, which is 100% Monastrell, from old vines and high elevation vineyards, brought up all in stainless steel. Juicy, medium-bodied, with good acidity, and plenty of fruit, it's another smoking value from this importer. Drink it over the coming couple of years".
