

Cuentaviñas
Los Yeliones 2019

Robert Parker
WINE ADVOCATE
95pts

"truly impressive, aromatic, nuanced, powerful and elegant, with power and finesse and some oak still to be integrated on the palate. It's pure Tempranillo from a plot planted in 1970 in La Rad in the fourth valley of San Vicente de la Sonsierra where the soils have big blocks of calcium carbonate (yeliones) that name the wine...It's a showy and impressive wine that should develop nicely in bottle."
