Flor de Muga Blanco 2021

JAMES SUCKLING.COM

95pts

*"Steely aromas with a smoky, creamy edge. Minerals, roasted white almonds and green stone fruit. Pretty full-bodied and bright, with a flavorful but limpid center palate. A nice touch of phenolics and salinity at the end adds a bit more gravity to the wine. 40% viura, 30% maturana blanca and 30% gamacha blanca. Drink or hold.*
