94pts

JORGE ORDÓÑEZ
SELECTIONS

"Dark garnet. Intensely perfumed, mineral-driven red and blue fruit, potpourri and incense scents show excellent clarity and spicy lift. Palate-staining raspberry, boysenberry, spicecake and floral pastille flavors deepen steadily through the back half. Manages to come off powerful as well as lithe and shows no rough edges. Finishes smooth and extremely long, featuring sneaky tannins and lingering red fruit, mineral and floral notes."
