

Villota
Villota 2022

JEB DUNNUCK

93pts

"A highly expressive wine, the 2022 Tinto combines 83% Tempranillo, 10% Graciano, 6% Mazuelo, and 1% Garnacha from the Laserna-Laguardia parcels in Rioja Alavesa. Fine and extra-fine grain French oak barrels do the aging for 14 months. Showing the power of place in elegant tannins and full-bodied dark cherry fruit, it shows the influence of the nearby forest in pine resin and woody, brushy undertones. One of the winery's flagships, it's a tremendous achievement at higher production levels and will age 10-15 years."
