

Villota
Villota 2023

vinous
explore all things wine

91pts

"Drawn from vineyards in Laserna, the 2023 Tinto Villota (87% Tempranillo, 10% Graciano, 1% Garnacha and 2% Mazuelo) shows a deeply dark aromatic profile, led by balsamic notes and ripe blackberry, with a slightly jammy edge lifted by a touch of violet. On the palate, it is broad and somewhat compact, moving between chalky tension and plush texture, with dark fruit intensity and juiciness. Relative to the 2022, it feels slightly more diluted and closer in spirit to the 2021, though without that vintage's crystalline fruit."
