

Villota
Viña Gena Viñedo Singular 2018

JEB DUNNUCK

93+pts

"the 2018 Viña Gena is all Tempranillo raised in French barrique and concrete egg. Its deep purple hue gives way to a medium-bodied, elegant, pure, almost pretty Rioja with ample cassis and lighter berry fruits as well as notes of spring flowers, spice, and tobacco. More about finesse and purity than overt power, it still has good concentration, wonderful balance, and a great finish. Drink it over the coming 10-15 years."
