

Villota
Selvanevada Blanco 2024

vinous
explore all things wine
91pts

"From vineyards around Laserna near the Ebro River, the 2024 Blanco Selvanevada blends 85% Viura, 11% Tempranillo Blanco and 4% Garnacha Blanca. Barrel-aged on the lees, it opens on the nose with white fruit and a slight tropical edge, together with pear and a subtle note of élevage. On the palate, it is creamy at the onset, with light grip and a fresh finish touched by oak. More precise and complete than the 2023."
