"Lots of fruit here with a heap of red berries, cherries, hibiscus and white pepper. A medium-bodied, very transparent bobal here with firm, dusty tannins and a juicy finish. I like the precision and the restraint here. Drink now."

"Fresh and very mineral nose with a dusty, powdery edge. Roses, pomegranate, crushed ripe raspberries and hibiscus. Really textured, linear and nimble on the palate with a fresh attack of acidity that drives the palate to a long and mineral finish. Delicious now, but will hold well."
