2023 Alto Horizonte +Altitud

JEB DUNNUCK

"A Vino de Pueblo from 40 estate microsites planted between 1920 and 1935, the 2023 +Altitud is all Garnacha meant to capture the high elevation of the vines and granitic character of the soils. Impressive structure leads the way to a savory, sleek wine with salty flavor throughout, 70% whole-cluster fermented and earthy in light-bodied waves of elegant red fruit. Drink now through 2033."
