

Vinos Aurelio García - Alto Horizonte
2023 Alto Horizonte El Cerro Brujo

JEB DUNNUCK

95

"The 2023 El Cerro Brujo is entirely Garnacha grown in soils that contain the most quartz and whitest sand in the village, a single plot planted in 1929 on a 37-degree slope. All whole-cluster fermented and aged in neutral French oak puncheon, it offers delicate aromas of rose and cherry blossom, with vivacious energy on the long palate, big in texture and impressive in salty, herbal red fruit. Medium-bodied, it's a structured, tannic wine that will benefit from aging. Only 800 bottles. Drink 2028-2035."
