

Barona Bodegas Y Viñedos,  
Francisco Barona Ribera del Duero 2023

**JEB DUNNUCK**  
**97pts**

*"From a field blend of estate centenary vineyards planted between 1908 and 1948 to mostly Tempranillo, with some Garnacha and Albillo Mayor, the 2023 spent 14 months in new French oak after fermenting in barrel. Medium-bodied, the limestone soils give it acidity and tension, a concentrated framework around which smoky dark fruit, cacao nib, meat, and garrigue build depth and layers of intensity. This is drinking incredibly now but should be beyond amazing for a solid 10-15 years, if not more. A fantastic entry into Francisco Barona's canon, it's an inspiring testament to the power of old vines under the right care."*

Virginie Boone, July 30th 2025
