

Barona Bodegas Y Viñedos  
Francisco Barona Finca las Dueñas 2017

Decanter  
97pts

*"One of those wines that's so exciting that you want to tell the world about it, this is a brilliant, entirely whole bunch-fermented field blend of Tinto Fino with 30% other red and white grapes. Scented, refined and complex, with layers of wild Mediterranean herbs, tobacco leaf, chalky minerality and structured bramble and blackberry fruit. Long, ethereal and effortlessly subtle."*
