Villota

Villota Blanco 2022

JEB DUNNUCK

94pts

"A beautiful white blend of 61% Viura, 37% Garnacha Blanca, and other whites like Malvasia, the 2022 Blanco exudes freshness and acidity from limestone soils and natural minerality from the pebbles within the family's estate. Larger-format French oak helps meld it all together seamlessly over nine months. Medium-bodied, it has a luscious, creamy texture and layers of stone fruit tinged in wild vanilla. There's a finishing touch of salinity that adds complexity and intrigue. Enjoy now through 2042."
