

Viñedos y Bodegas Sierra Cantabria
Sierra Cantabria XF Rosé 2025

vinous
explore all things wine
92pts

"Very pale in color, the 2025 Rosado XF blends Garnacha (30%), Sauvignon Blanc (30%), Viura (20%), Maturana (5%), Tempranillo (5%) and Tempranillo Blanco (10%), combining both skins and musts during fermentation. The nose shows sour cherry and red cherry with a profile reminiscent of Galician Ribeiro, though with slightly more fruit intensity. On the palate, it is creamy and expressive, carrying a savory depth of flavor unusual for such a pale Rosé."
