

Cuentaviñas
Arriscado 2023

vinous
explore all things wine
93pts

"A blend of traditional Rioja varieties—Viura, Garnacha Blanca, Malvasía, Calagraño and Turruntés—from San Vicente de la Sonsierra, the 2023 Arriscado shows aromas of apple and herbs framed by oak, with nutty hints of hazelnut and dried orange peel. Medium in intensity, it is layered in nuance. On the palate, it is agile, offering bright freshness and a delicate chalky line. The finish is long and energetic, with a subtle Burgundian sensibility in its balance of texture, freshness and restraint."
