Aro 2016

"The 2016 Aro is a magical wine that does everything right. Showing a slightly more classical style with less polished oak, it offers a massive bouquet of ripe black and blue fruits, candied violets, and exotic spices. Deep and full-bodied on the palate, it's flawlessly balanced, has the purity and elegance of the vintage front and center, fabulous tannins, and a great, great finish. It's approachable today ... yet has the balance, concentration, and purity to evolve for 30 years or more."
