Conde de Haro 2017

"The 2017 Conde de Haro is mostly Viura yet includes 20% Malvasia and 10% Garnacha Blanca. It reveals a lighter gold hue as well as a crisp, nicely defined bouquet of stone fruits, white flowers, toasted spice, brioche, and a touch of salinity. Beautifully balanced on the palate, with clean, pure fruit, a seamless texture, and a great finish, this is a beautiful Cava that readers will love."
