

Bodegas Muga  
Muga Reserva Unfiltered 2022

*Robert Parker*  
E-ROBERT PARKER

93+pts

"The 2022 Reserva, sold as Crianza in Spain, has more tertiary notes than other people's Gran Reserva, even though it has a very classical profile. It is mostly Tempranillo with some Garnacha Tinta, Mazuelo and Graciano from vineyards no more than 25 kilometers from the winery in Haro, cropped from a warm and dry year... It's medium- to full bodied, concentrated but sleek and polished, with fine-grained tannins, very supple flavors and a chalky finish. It still has some toasty notes in the finish that should integrate with a little bit more time. They are very happy with 2022."

Luis Gutiérrez, Wine Advocate, March 2026
