"Vivid red. Energetic red fruit, floral and spice scents take on a minerally aspect with air. Silky, seamless and penetrating on the palate, offering appealingly sweet raspberry and cherry flavors that show good depth and a surprisingly airy touch. Deftly blends power and finesse and finishes very long and smooth, with subtle tannic grip and repeating red fruit and floral notes. This is the only red wine that the Muga family made in 2017, such was the crop loss, which means that fruit that would normally have gone into their high-end bottlings wound up here."
