

Bodegas Muga
Muga Blanco 2025

vinous
explore all things wine
93pts

"The 2025 Blanco, a blend of Viura, Garnacha Blanca and Malvasía from Rioja, opens with lively primary aromatics of nardos, pear and soft herbs alongside a hint of melon. On the palate, it is energetic, combining elevated freshness with a delicate chalky texture and a creamy undertone that adds breadth. The interplay between energy and richness gives the wine clarity and drive through the finish. A particularly successful vintage for this bottling, it offers excellent value among Rioja whites."
